

POLICE

Homeownership Program

For many towns and cities in the state, it's beneficial to their safety and security to have police officers living in the community. The Police Homeownership Program encourages police officers to purchase homes and reside in the communities where they work, by offering home loans at below-market interest rates.

ELIGIBILITY REQUIREMENTS

- You must be a municipal or state police officer, purchasing a home in a designated area of a participating town.
- If you are a municipal police officer, you must work in the town where you purchase your home.
- State police officers may purchase a home in any participating city or town.
- You must be a first-time homebuyer or have not owned a home in the past three years. However, prior homeowners may purchase a home in a targeted area. (see current Targeted Areas at www.chfa.org)
- Your before-tax household income must not exceed the CHFA income limits that apply to the geographic region where you decide to purchase a home. (see current Income Limits at www.chfa.org)
- You must purchase a home you will live in year-round as your primary residence.
- You may not use the loan to purchase recreational, vacation, investment, commercial or rental properties. No part of the purchased property may be designed for commercial purposes.
- Some towns offer grants or loans to cover closing cost expenses on a case-by-case basis. You should contact your police department to determine whether closing cost assistance is available.

A condominium complex must have 5 or more units and must meet all of the Fannie Mae (FNMA) condominium requirements. Newly constructed condominiums are excluded.)
- Under rare circumstances, CHFA mortgage loans may be subject to the Federal Recapture Tax if the home is sold within nine years of the purchase date. If a homeowner is subject to paying Federal Recapture Tax, CHFA may reimburse the homeowner for the tax paid.
- Generally, the time from applying for the loan to closing the sale of the property is six to eight weeks.
